Re: FPPC Case No. 12/376; Good Government Alliance Committee

Dear Mr. Willis:

In response to the complaint you submitted regarding the above-referenced committee, the Fair Political Practices Commission has found insufficient evidence to establish a violation of the Political Reform Act. There is no evidence that the mailer paid for by Good Government Alliance Committee should have identified California Waste Solutions in any way. As such, we are closing this case without further action.

If you have any questions, or if you wish to speak with someone in the Enforcement Division about your correspondence, you may call us at (916) 322-5660.

Sincerely,

Gary S. Winuk
Chief, Enforcement Division
