Definitions

DONE/ONGOING: The pledge has been adopted and significant programmatic and infrastructure work has been completed. The pledge requires monitoring and oversight to ensure that desired outcomes are sustained over time.

IN PROGRESS: A plan of action has been identified for this pledge and work has initiated. Additional programmatic and financial resources may be necessary to ensure long term sustainability of outcomes.

RECONSIDERED: The pledge has been reconsidered for one of the following reasons: 1.) An alternative strategy has been identified to produce the desired outcomes of the pledge; or 2.) The pledge can not be fulfilled due to financial or administrative reasons.
